### What is a Land Bank

- Clear Mission
  - Land Banks are public or nonprofit entities created by local governments to acquire, manage, maintain and facilitate the redevelopment of underutilized, vacant blighted, tax delinquent properties.

### What is a Land Bank

- Tool for converting vacant, abandoned, or distressed property into productive use. This includes residential, commercial, industrial and greenspace purposes.
- Core competency is acquisition and disposition of troubled, surplus, or vacant property.
- Does <u>NOT</u> have <u>eminent domain</u> or taxing authority.
- Steps in where market does not or cannot work due to administrative/legal barriers.

### LBA Mission Statement

- The mission of the Fulton County/City of Atlanta Land Bank Authority is to facilitate the transformation of the City and County into a vibrant community by:
  - Returning non-revenue generating, non-tax producing, or blighted property to an effective utilization status in order to provide market and affordable housing, public space, new industry and jobs for the citizens of the City and County.
  - Extinguishing past due tax liens from property foreclosed upon by Fulton County and the City of Atlanta in their tax collection capacities.

# **Non-Tax Producing** Foreclosed

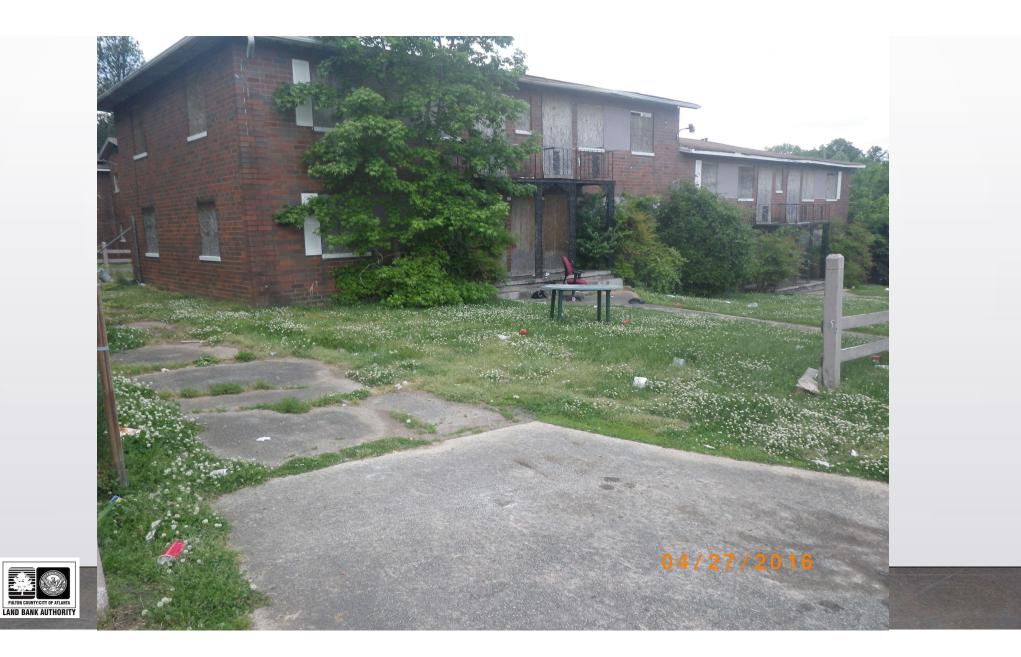

## Desired Property Outcomes

- Code Compliant Property
- Tax Producing Property
- Occupied Structures
- Maintained Property and Structures
- Shared Community Space
- Vibrant and Safe Communities
  - Includes Affordable Housing Options
